

Cure is Our Mission

With everything Dr. Jabaly does, his philosophy is to BUILD PEOPLE.

He has developed a thriving medical practice and works through charitable organizations to improve the lives of the less fortunate

Dr. Jabaly has uncovered one of the most prominent crippling attitudes many people tend to share, or have in common, which is restricting one's self. One must rise and build their self.

"We must pick ourselves up out of the ashes and start anew."

For more information log onto our website at www.mnangels.com

We accept most insurance plans and self pay.

MN Angels Clinic

4405 Holland-Sylvania Rd. St. 104 368 West Elm Street
Toledo, Ohio 43623 Wauseon, Ohio 43567
(419) 882-6784 (419) 335-9420

We are currently expanding to include a weight loss program specializing in Metabolic Syndrome.

If you are suffering from chronic pain due to excess weight, Dr. Jabaly has the cure: he formulates a diet plan according to your BLOOD TYPE!
