

DR. JABALY'S ACUTE MEDICAL CARE

Dr. Jabaly provides his patients with his utmost knowledge and expertise. He focuses his undivided attention to whatever ailment the patient may be suffering from. This one on one approach allows for accurate steps to be taken towards their cure. Dr. Jabaly offers a complete wellness program, which not only improves the productivity of people, but also saves the patients, and their insurance companies, money in the process.

Dr. Jabaly's MN Angels Clinics provide many services, such as:

- Treatment of Chronic Diseases
- Physicals
- Sports Medicine and Occupational Therapy
- Psychological Services
- Once-a-Month In-Office testing for Echo Cardiograms, Nuclear Stress Tests, Diabetic Neuropathy and Retinopathy testing, etc [...]

More patient services include:

- Medical Management
- Acute Care Medicine
- Internal Medicine
- Guaranteed Weight Loss Program
- Women's Care Services
- Skin Care/ Hair Loss
- Intervention Treatments
- Cardiology
- Pain Relief
- Lab Services
- Prescription Medication

Dr. Jabaly understands that health care costs can be a little steep at times. With this in mind, he accepts the majority of insurance plans, and self-pay patients, who are also given discounts when needed. He believes that no patient should ever be left behind.
